

# Sussex Safeguarding Adults Policy and Procedures: have you updated your documents?

The Brighton & Hove, East Sussex, and West Sussex Safeguarding Adults Boards recently promoted the new Sussex Safeguarding Adults Policy and Procedures website. You can access the website at [www.sussexsafeguardingadults.org](http://www.sussexsafeguardingadults.org).

We are now asking that you ensure that any internal documents, including internal procedures, are reviewed for references to the Sussex Safeguarding Adults Policy and Procedures. Where needed, hyperlinks and references to the URL address, need to be updated with the new URL address.

Across the partnerships, the Boards and agencies will be working to ensure that all documents, both internal and published documents, reflect this change. In the meantime, a redirect will remain in place on the previous website.

We hope that you have had a chance to visit the new website. If you have any feedback, we would be keen to hear it.

Please email your feedback to [safeguardingadultsboard@westsussex.gov.uk](mailto:safeguardingadultsboard@westsussex.gov.uk), or click on the 'Feedback' button on the website.

*Safeguarding Adults Boards operate at a strategic level to safeguard adults in their area. Each Safeguarding Adults Board is comprised of an Independent Chair, the Local Authority, Integrated Care Board, Police, and a range of other agencies.*
