Sussex Safeguarding Adults Policy and Procedures website: your hub for all Sussex safeguarding adults protocols and guidance

The Sussex Safeguarding Adults Policy and Procedures website has been updated with a new section, hosting the pan-Sussex Safeguarding Adults Boards protocols and guidance.

This makes the new Sussex Safeguarding Adults Policy and Procedures website your hub for all information, guidance, and referral documentation, produced collaboratively by the Brighton & Hove, East Sussex, and West Sussex Safeguarding Adults Boards.

In the '[Additional protocols and guidance](#)' section of the website, you will find the protocols and guidance documents, which have been developed for use across Sussex. These documents are intended to support safeguarding adults practice, encourage consistent practice across Sussex, and be complementary to the Sussex Safeguarding Adults Policy and Procedures.

The key documents you will find in this section, include:

- Safeguarding Adults Review Protocol
- Safeguarding Adults Thresholds: Guidance for Professionals
- Sussex Adult Death Protocol
- Sussex Information Sharing Guide and Protocol
- Sussex Safeguarding Escalation and Resolution Protocol

Safeguarding Adults Boards operate at a strategic level to safeguard adults in their area. Each Safeguarding Adults Board is comprised of an Independent Chair, the Local Authority, Integrated Care Board, Police, and a range of other agencies.
